

# Elite Development Program Application

**Team Psycho is a metro Boston-based triathlon team comprised of individuals who possess a love of the sport and the competition it fosters. Team Psycho members are committed to pushing swim, bike and run performance boundaries, and are equally committed to striking a balance between sport-specific goals and the demands of life outside of sport.**

**Team Psycho founded its Elite Development Program (EDP) in 2003 with the intention of giving back to the triathlon community while continuing to promote excellence within the sport and at its highest levels. If you are interested in applying to the Team Psycho EDP, fill out the following application and remit it electronically to the address at bottom by the application deadline of March 31st. Please use additional pages if necessary rather than shrinking font size or truncating answers to fit the space given. Just make certain to label properly the questions answered on additional sheets. We look forward to hearing from you.**
